## DIVISON F – FLOWERS

All specimens, whether cut or container grown, must have been grown by the exhibitor and named. Container grown plants must have been in the possession of the exhibitor for not less than (3) months. The exception to that is of multiple planting which must have been grown together for at least (6) weeks. Double potting is permitted.

Specimens must be displayed in clear bottles supplied by the exhibitor. They should have no lettering or decorations and should be in proportion to the size of the specimens. A small piece of wood, Styrofoam or plastic wrap may be inconspicuously placed in the neck of the bottle to prop the specimen upright.

All entries should be clean and well groomed. Self-foliage should be below water level. No polishing or oiling of foliage is permitted. Decision of the judges is final. No noxious weeds allowed.

An exhibitor may have more than one entry in horticulture in any class or sub-class; however, each must be a different cultivator, color or type.

Exhibitors are responsible for knowing in which class their specimens are to be entered and name the variety. Incorrectly entered entries will not be judged. When entering put name of flower on back of entry tag.
